## LARGE CLASS AT ST. MARY'S SCHOOL

Twenty-Three Children Will Graduate From Eighth Grade On June 9

On Friday afternoon, June 9, a class of twenty-three will graduate from the eighth grade of St. Mary's school. The commencement exercises will be held in the school auditorium at 2:30 o'clock.

Following is the program:

Welcome—Song  
Salutatory—Eighth Grade  
Presentation of Torch—Eighth Grade  
Acceptance of Torch—Seventh Grade  
A Springtime Idyl—Music  
Class Will—Eighth Grade  
A Laughing Chorus—Song  
Class Prophecy—Eighth Grade  
June Days—Song  
Valedictory—Eighth Grade  
A Maiden's Prayer—Music  
Farewell—Song

Sunday evening, June 11, at 7:30 in St. Mary's church Rev. W. A. Beaudette will address the class and make the presentation of diplomas.

Those who will complete their parochial school course are:

David F. O'Donnell, Joseph B. Gauthier, Joseph J. Willette, Francis M. Peterson, Joseph G. Stuhel, Dennis F. Deau, Maynard F. Hack, Vern F. Blitch, Dorothy E. Shorey, Margaret M. Gleason, Leona E. Maloney, Catherine R. Gleason, Doris M. Pecore, Cecilia G. Cass, Ruth E. Jewell, Louise M. Smith, Magdalen M. White, Alice B. Cannon, Anna M. McIntosh, Elmyra C. Doyle, Winifred J. Brecker, Bernice M. Vancourt, Lucy M. Schultz. Colors: Maroon and White. Flower: American Beauty. Patron: Sacred Heart.

## THEY WED EARLY IN THE MORNING

St. Mary's parsonage was the scene of an early morning wedding Saturday when at five o'clock Rev. Fr. W. A. Beaudette officiated at the ceremony which united as one Miss May Bonnie of this city and Osborne Shier of Crandon. Miss Amanda Rice of Pelican Lake and Jesse Roberts of this city were the attendants. From the parsonage the newly weds went to the Northwestern depot where they boarded the 5:35 o'clock train for a trip to the southern part of the state.

The bride is one of Rhinelander's esteemed young ladies. She was born and raised here and graduated from the high school. She has been one of the successful teachers in Oneida county and during the term just closed taught in the town of Pine Lake.

Mr. Shier is manager of the Rhinelander Bottling Works' branch in Crandon. He is an energetic young business man and is easily making good.

The innumerable friends of Mr. and Mrs. Shier join in wishing them a future full of happiness.

**ADDRESSES GRADUATES**  
Mayor Grant V. Clark delivered an address to the graduates at the commencement exercises of the Three Lakes school in that village Wednesday night.

W D. McDoe is here from Minneapolis visiting his family on King street.

## WILL HONOR NATION'S DEAD

Tuesday, May 30, is Memorial Day. In Rhinelander the day will be observed in an appropriate manner, and Co. L will have charge of the program. There will be the usual procession to Forest Home cemetery where exercises will be held and the graves of soldiers decorated. A firing squad from Co. L will also go to St. Mary's cemetery.

The procession will form at the Armory at 9:30 o'clock and all lodges and societies here are invited to participate. School children are also urged to join in the march. Conveyances will be at the disposal of G. A. R. veterans.

Throughout the day flags should be at half mast out of respect for the nation's defeated heroes.

All donations of flowers should be left at the Armory early on Tuesday morning.

The program follows:  
Music by the Band.  
Invocation by Rev. Heyl.  
Music "On Wisconsin", 1st Ward School Chorus.  
Lincoln's Gettysburg Address, Lloyd Cain.  
Address, Rev. Wedge.

## EXPRESS STRIKE AIDS PARCEL POST

The strike of the Chicago express drivers has materially increased the parcel post business of the Rhinelander postoffice, an unusual large number of packages being received last week.

Postmaster Stapleton states many of the packages received were up to the limit of weight. Postmaster Campbell of Chicago in a report stated that already the daily increase of business at the Chicago postoffice would amount to 75 tons, while it was expected there would be a still greater increase as shippers turned their attention to this method of delivery. Extra motors and additional men were called into service by the Chicago postoffice to care for the increase in business. So far the express officials have refused to meet a delegation of the drivers, standing firm in their refusing for an increase of pay, shorter working hours and a recognition of the union. At the present time the express drivers are compelled to work 12 hours a day, and opposition to a union on the part of the employers is most bitter. It is predicted the strike will be a hard fought one.

## AISHTON HEADS NORTHWESTERN RY

In New York Tuesday Richard T. Aishton was elected president and director of the Chicago and Northwestern railway, vice William A. Gardner, deceased. Marvin Hughitt was named vice president in charge of operation and maintenance, and A. C. Johnson general traffic manager.

James T. Clark was named president of the Chicago, St. Paul, Minneapolis and Omaha railway, to succeed Gardner. A. W. Trenholm was selected vice president and general manager, and H. M. Pearce general traffic manager.

President Aishton began service with the Northwestern road more than thirty-five years ago. He began as a member of the engineering corps and has worked his way steadily to the top. He worked into the operating department of the company and had his offices in Chicago although his work took him to all divisions of the line.

Until elected president of the road on Tuesday at New York, Mr. Aishton was vice president and superintendent of operation and maintenance with offices in Chicago.

## U. S. NEEDS SHOTS

The beginner's shoot postponed from May 14, will be held Sunday, May 28, at the fair grounds. All sportsmen who have shot at less than 500 target marks are invited to compete for the watch fob. The regular shoot will be held immediately afterward.

Results of last Sunday: R. S. Reardon 23; L. S. Shepard 19; J. J. Reardon 16; Joe Schooley 16; L. E. West 15.

Mrs. Minnie E. Scott died in Woodruff, her home, Tuesday of an illness which extended over a year. She formerly conducted a hotel in that village.

## GRADUATION WEEK BEGINS TO-NIGHT WITH BANQUET

The opening of the commencement season takes place Thursday night, when the members of the senior class and the teachers of the high school partake of a banquet prepared and served by the members of the domestic science class, under the direction of Miss Belle Pepper. The cost of this banquet will be defrayed by the members of the class. Interspersed between the courses will be toasts and responses under the direction of Tom Redfield, toastmaster. The class history, the class will, and the prophecy will be given at this time. Immediately after the banquet there will be given a high school dance by the juniors in honor of the seniors. To this party all members of the school and their parents are invited. The juniors are making extensive preparations, and plan that this shall be one of the happiest events of the commencement season. Music will be furnished by LaMotte's orchestra.

On Sunday evening, at 8 o'clock the annual address to the Senior class will be given at the Congregational Church by the Rev. Walter Heyl. Other churches of the city have been asked to unite in the service. The Senior class will attend in a body.

Wednesday evening, May 31, at 8:15 the Commencement exercises will be held at the High school auditorium. The music will be furnished by the Glee Club of the High school, under the direction of Miss Sarah E. Buck. President Carroll G. Pearce, of the State Normal Milwaukee, will give the address of 1916. At the close of this exercise the diplomas will be presented to the class of 1916, by Carl Krueger, president of the school board. All who are interested are cordially invited to attend the exercises on this evening.

The class play, "Love in a Garden" will be presented on Thursday evening at 8:15 in the High school auditorium and repeated in the same place on Friday evening. Members of the Senior class are working very hard to make this play as great a success as recent affairs of this kind have been. Miss Smith and Miss Salsman, who have charge of the rehearsals, are using every effort to bring it to a high state of perfection. During the year there has been added an outdoor scene to the stock of scenery. This will be used as a background for the stage setting.

## WEDGE PLANS TO INSTALL Y. M. C. A.

Will Have Quarters in Baptist Church—Also To Start Night School.

Rhinelander is to have a Y. M. C. A., equipped with a gymnasium, free baths, reading room and class room for night school. Rev. Wedge has had experience in Y. M. C. A. work in connection with Omaha Y. M. C. A. and will give his services as secretary without a salary that the young men of Rhinelander may have the benefits which young men of large cities enjoy.

The night school will be especially for young men who work in the mills and factories and have not had the advantage of an early education. In addition to the regular course offered at the night school there will be a free lecture once a week given by representative men who have made a success in the various professions and trades.

The gymnasium will be fully equipped with all the apparatus necessary to carry on indoor athletic instruction at the State University will conduct the classes both for boys and men.

Catholics, Jews, and Protestants are eligible for membership. A very nominal fee will be charged to defray the running expenses. The using of the church, of which Mr. Wedge is pastor for Y. M. C. A. work will save the city of Rhinelander a new building that would cost over \$10,000.00 and the paying of a salary for a secretary that would cost the city over \$1,000 a year.

Several prominent business men of Rhinelander have spoken very favorably of the plan and have expressed themselves as willing to assist in the success of an organization which is greatly needed in our city.

## IRA SMITH AGAIN BOARD CHAIRMAN

County Solons Reelect Town of Cassian Member by Acclamation

At a special session of the county board Tuesday afternoon, Ira Smith was re-elected chairman for the coming year by acclamation and James Baker was chosen as vice chairman. After a short recess the chairman named the following standing committees:

General Claims—R. L. Abbey, J. E. Russ, John B. Mentink, Wynn Webster, Thos. Dunn.  
Poor and Pauper—John Gooden, Roman Woodzicki, John Bernstein, Andrew Olson, E. Wolfgram.  
Public Property—Wm. Olson, John Barlow, Jay E. Russ, Thomas Dunn, Chas. Gross.

Settlement with Co. Officers—A. J. LeClaire, C. H. Olsen, R. C. Luedke, T. G. Torpy, J. M. Baker.

Illegal Taxes—John H. Korzilius, Chris. Michaelson, Ed. Wolfgram, A. J. LeClaire, Roman Woodzicki.  
County Apportionment and Finance—J. M. Baker, Thos. Dunn, T. G. Torpy, Chas. Gross, John Korzilius.

Printing—J. E. Russ, Chris. Michaelson, Wynn Webster.

Towns and Cities—John B. Mentink, John O. Bernstein, John Meyer, Paul Frederick, Anton Stefonick.

Sheriff and Justice—C. H. Olson, R. C. Luedke, John Gooden, Anton Stefonick, John Meyer.

Per Diem—John Barlow, Andrew Olson, Paul Frederick.

The usual bills were allowed and the little business which had accumulated since the March meeting was taken care of. All members were present except R. C. Luedke, of Piehl. An adjournment was taken to September sixth.

## BUSINESS PLACES CLOSE ON MAY 30

The following list of merchants have agreed to close their stores in honor of the old soldiers Memorial Day.

The grocery and meat markets will remain open until 9 a. m. and the remaining stores herein mentioned will close for the entire day.

The citizens of Rhinelander will govern themselves accordingly.

T. C. Wood Hdw. Co., O. A. Kolden, J. Wiesman, Lewis Hdw. Co., Gary & Danielson, P. L. Whitte, Harry R. Goldstone, P. F. Seibel, D. H. Hart, E. P. Laugesen, J. J. Nick Jr., J. Segerstrom, F. A. Hildebrand, M. W. Sorenson, Chas. Nichols, B. Isackson, Aug. Carlson, Hans Rodd, W. C. Liebenstein, Herbst Shoe Store, Geo. Stumpf, The Squier Store, Jas. Hanchett, Green & Co., H. C. Peterson, Aug. Hehn, L. M. Cohen, S. D. Nelson, Markham & Parker, Rheume & Pecore, B. L. Horr, Peterson & Alme.

## AUTOS COLLIDE

A big Mitchell 6 driven by "Bud" Lewis and a Chevrolet roadster driven by William Davies clashed head on at the corner of Stevens and King streets at six o'clock Tuesday evening. The Mitchell car was just turning the corner to go east on King street and the Chevrolet car was going north on Stevens when the collision occurred.

Stories concerning the accident conflict. With Bud Lewis in the Mitchell was his father, B. R. Lewis. Jake Kelly occupied the Chevrolet with Mr. Davies.

No one was injured and in this respect the accident is regarded as a most fortunate one.

## NEW COZY OPENS

Every lady who attended the opening of the Cozy, Rhinelander's beautiful new motion picture house, Wednesday evening, was presented with a carnation with the compliments of Manager James Algeo. The excellent feature, "God's Country and the Woman," was the opening attraction and it proved one of the greatest moving picture productions ever seen in Rhinelander. The large audience was keen to voice its appreciation of the picture.

**OPEN HOTEL BIDS MONDAY**  
Bids for the building of the new hotel in this city will not be opened until next Monday. The postponement from Friday was made at the request of several contractors who are figuring on the bids.

## BLISS NOT COMING

F. L. Bliss of Merrill is not to become leader of the Rhinelander band. Although he had accepted the position, he wrote a few days ago that he had decided to remain in Merrill, the band there having voted him an increase in salary.

## THREE LAKES WINS FIELD MEET

For the first time in the educational history of Oneida county a contest was held Saturday afternoon between the graded schools of Three Lakes, Minocqua, and Monico. In the afternoon these three schools competed on the fair grounds in athletic contests.

Various classes of jumping, chinning, base ball throwing, running, sack races, three legged races and other athletic feats by boys and girls were the basis of contest. In these contests Three Lakes won the highest number points, with Minocqua a close second. In the evening at the Training school a speaking contest took place between Three Lakes and Minocqua. This contest was unique in the history of the county, and very probably, of the state. Instead of learning some production by heart and reciting it, the contestants were given five subjects each. One of these subjects was drawn from a box, and after about five minutes time for thought the contestant spoke extemporaneously on some phase of the subject for not less than two nor more than four minutes. The quality of work done by the competing boys and girls was truly remarkable, especially when it is considered that some of them were as low as the sixth grade.

In this contest first and fourth place went to Three Lakes and second and third to Minocqua. This decision was not unanimous. One judge gave first to Carling, sixth grade boy at Minocqua, and this was the feeling of many in the audience.

The winners in these contests were awarded ribbons and the winning school received a banner.

## NO OUTSIDE RACE HORSES AT FAIR

Agricultural Society Decides To Confine Track Events To Local Horses Only

The Oneida County Agricultural Society is not going to have any outside horses to race at the Fair this fall, but are going to leave all of the money devoted to that class of sport to local horses.

Past experience teaches the officers of the Association that it is a good deal of a gamble, the getting together of horses of merit to compete, and they think that local interest will center more strongly on local horses, and are offering the following program:

County Championship—

Race horses to have been owned in Oneida county six months prior to race. \$300.00.

American rules to govern regarding entrance, etc.

Hitch and Start—

Any size or style of horse, hitched to any style of vehicle. 1st prize, \$25; 2nd \$15; 3rd \$10. No entrance money. Half mile.

Pony Race—

Boy or girl riders, under 16 years of age, half mile. 1st prize, \$10.00; 2d \$7.50; 3rd \$5.00. No entrance money.

Entry day will be on Monday, September 4th, and all exhibits, entries for County Championship race must be in by 6 o'clock p. m. of that day, September 4.

There will be three full days of the Fair, September 5, 6 and 7, with strong carnival company and other attractions to entertain and instruct, and we hope to have the biggest and best fair the county has ever had.

F. T. COON, President.

ARTHUR TAYLOR, Secretary.

## WILDWOOD RESORT HAS FIRST DANCE

Despite the inclement weather nearly forty couples attended the opening of "Wildwood". D. A. Rogers' new summer resort up the Wisconsin river, last Thursday night. To music by LaMotte's orchestra dancing was enjoyed in the big pavilion until after midnight. Eighty people partook of supper. Another dancing party will be held at Wildwood this Thursday night.

Wildwood is a well arranged and attractive resort and will be conducted by Mr. Rogers in a first class manner. Dances will be held there regularly throughout the summer and the pavilion will be rented at any time for Victrola dances and bridge parties. For enjoyable entertainment at all times visit Wildwood.

## EVENTS OF WEEK IN NEARBY TOWNS

**New London...**  
The New London condensed milk plant is now owned by the Borden Company. The change means considerable to New London as the Borden company will take it a bigger and better equipped plant and considerably increase the output of the same. The ranch at Manawa is also included in the change. The Borden company owns 142 plants in this country including condensing plants, bottling plants and candy factories. The seven condensed milk plants were lately acquired by them of which the National Condensing company's plant in this city was one.  
**Clintonville...**  
That the United States has no in-

tention of pulling out of Mexico in the near future is evident from a shipment of eighteen 4-wheel-drive trucks which left Clintonville with a full crew of drivers and mechanics, whose contract calls for six months' service in the transportation service on the border. They are to get \$100 a month and later \$120 a month, and expenses if they remain six months, but only \$75 a month if they quit before that time. Fifteen drivers and mechanics were picked up at Appleton and in Menasha to accompany the trucks.  
**Park Falls...**  
As a result of a quarrel between two women one of them is carrying a bullet wound in her left arm. The trouble occurred on Thursday noon when Mrs. Ida Bolio went to the home of Mrs. Stella Warner and calling Mrs. Warner to the door accused her of writing love letters to Mr. Bolio. Mrs. Warner denied the accusation and advised Mrs. Bolio to go away, but the latter drew a revolver from her

pocket and pointing it at Mrs. Warner she attempted to fire but the gun failed to go off. Mrs. Warner slammed the door shut and while attempting to lock it Mrs. Bolio fired a second time. The bullet came through the door and struck Mrs. Warner in the left arm near the shoulder, inflicting a superficial wound.  
**Hayward...**  
After a sojourn of four months, to a day, Fawny, the pet deer at Robert Robertson's Pine Grove Lodge, is again a welcome resident at the popular Moose Lake summer resort. It seems that this ruminant of the genus cervus family has the inclination to take leave of absence every year about the time the red-capped gunman puts in an appearance for his annual hunting expedition, and the elusive young fawn evacuates for parts unknown. When the trees begin to leave, Fawny's fancy turns to love—for the Robertson children—and she returns to the family hearth.  
**Ladysmith...**  
Two hundred and twenty-three rural school children have entered the Potato Growing Contest and agree to co-operate with the county superintendent, and the county representative in growing pure-bred seed potatoes. Each boy or girl will receive one peck of pure certified seed potatoes to be grown under the direction of the county representative. The grower will have a choice of the following varieties: Green Mountains, Burbanks and Rural New Yorkers. The Green Mountain has been the most popular, with the Rural New Yorker second and the Burbank third.  
**Ashland...**  
Three violent deaths occurred in the village of Saxon within two days. Hector McMezin, 49, and John Bellstrand, 35, farmers were killed when their wagon was struck by a Northwestern train Wednesday. The body of Vern Newman, 21, was found in the railroad yards, evidently murdered the head battered in with a club. It is thought he was killed for his money. He had come from his home, Tomaston, Mich., to visit his sister, Mrs. Josephine Furnia, and apparently started to walk down the yards to her home when he was attacked and probably robbed.

## Select your lumber

Have the kind you want

We would like to tell you about "Old Faithful" HEMLOCK for studs, rafters, sheathing, siding, etc. (We might also remind you that "Old Faithful" HEMLOCK is a home product and worth sticking to on that account.)

Every kind of wood has its special use. Take pine for instance—there are nearly a dozen distinct kinds, some hard, some soft, each good for certain purposes. Birch is best for trim and Cedar for shingles and posts. Hickory, for wheels, and so on.

But "Old Faithful" HEMLOCK has no superior for general building use—its strength is rough use. It isn't pretty but it is GOOD STUFF and lasts for years and years. There is only one kind for sale here. You can make no mistake.

Ask us for FREE BOOK OF PLANS (published by "The Hemlock Manufacturers," Oskosh, Wis.) including all kinds of "Old Faithful" HEMLOCK farm structures.

## HEALTH

**Cancers Being Cured**  
Dr. Joseph Colt Bloodgood, of Baltimore, an authority on the subject, states that "About 25 percent of the fully developed cancers have been cured by surgery" and that if every case were recognized while it is still a local disease and were then removed by a competent surgeon every case should be cured. Inasmuch as there were about 80,000 deaths in the United States in 1915, it would appear that cancers are not being recognized early enough and even when recognized are not being handled as vigorously as they should be.

Apparently cancer is rapidly increasing. Hoffman estimates that the increased number of deaths in thirteen years from 1900 to 1913 amounts to more than 25 percent. Authorities state that cancer is responsible for more deaths in persons over forty years of age than any other cause. In Wisconsin the number of deaths approximate 2,000 annually. One hundred women die of cancer to every sixty-three men.

Notwithstanding the fact that millions of dollars have been spent and that thousands of expert investigators throughout the world have been engaged in its study, the cause and exact nature of the disease has not as yet been established. One investigator or group produces evidence that it is an infectious disease, another that it is hereditary. The painstaking, honest, and convincing records of one are offset by equally painstaking, honest, and convincing records of another which permit only of conflicting conclusions.

While there are the conflicting beliefs and theories concerning the cause of the disease there is no conflict, whatsoever, among students as to the curability or rather removability of the disease provided only that it is done early enough. But to be removed early it must be discovered early.

In no other important cause of death and terrible suffering has the individual so much the control of his fate in his own hands as he has in cancer. It's up to him as to whether or not he presents himself to a competent physician for identification of suspicious lumps, to know the cause of indigestion and unnatural bleeding. It's his business, unless he's willing to pay the high cost of ignorance, to learn for himself the common facts concerning the disease. We have a limited number of booklets which we will distribute without charge to interested readers of this column who will send their names and addresses to this bureau.

**VOTE ON SHERIFF LAW**  
At the election in November voters will have an opportunity to change the law in regard to the tenure of office of sheriff. At present the sheriff is permitted to serve one term only—that is, he cannot succeed himself. An amendment to this law will be submitted to the voters. The one term rule probably dates back to the time when the sheriff's office was about the whole thing in the county and large sums of money passed through the hands of this officer. In this age the sheriff's job is quite tame in comparison. The sheriff is the only officer who cannot succeed himself. The county treasurer was formerly limited to two terms, but this limit was removed by the last legislature.—Grand Rapids Tribune.

**ENGINEER CLARK DEAD**  
William Clark, a Chicago & Northwestern locomotive engineer who was well known along the Ashland division, died Saturday in Ashland. He leaves a wife and one son.

**METHODIST CHURCH**  
A good live flourishing Sunday school convenes every Sunday morning at 10 o'clock.  
"The Ambition to Achieve" will be the theme for the service commencing at 11 o'clock.  
Epworth League 6:45. Topic, "The Ministry of Good Cheer". Leader Esther Zutz.  
There will be no preaching service in the evening, as the congregation has been requested to unite with the Congregational church in a Baccalaureate service at 8 p. m.  
The old-time Pentecostal spirit is still manifested at the Thursday evening prayer and praise service. We aim to make everybody feel at home at all our church services.
